Summer Camp Descriptions:

Week 1 - Wild Wild West May 29-May 31

Join us this week as we make our way west for Gold. We will make our Cowboy hats and vests, corral the pigs, and fill up our wagon to get ready for the big trip. We will follow our treasure map and learn along the way that we shouldn't just eat any strange plant you see growing in the ground! Once we get to our destination, it's all MINE MINE MINE! We will even try trading the gold we mine for other goods such as fur and food. We hope you can join us on our big adventure West!

Week 2 - Young Scientists June 5-June 7

This week is all about trial and error! Join us in our laboratory as we answer some big questions! How big can we get a balloon to blow before it pops? Can a lemon really light up a light bulb? How can you make boogers grow in a jar? These questions and more we will answer during science week!

Week 3 - Around the World June 12-June 14

Ok, so we can't travel the world in a week, but you can learn about some interesting countries outside our own. Join us this week as we learn about different flags, foods, and celebrations around the world!

Week 4 - Water World June 19-June 21

Every good summer camp has to have water! Join us during our final week of summer camp as we participate in water games galore! Sprinklers, water balloons, water squirters, etc. Bring your swimsuit and towel this week because this camp is all about getting wet and having fun!

Basic Summer Camp Information:

- All camps are 9:00am to 11:30am.
- Please bring a snack, light jacket, and a change of clothes.
- \$65 per camp - Checks payable to Cedar Mill Christ Preschool or electronically at www.cumcpdx.org (click on give tab - upper right - fill in amount next to Christ UM Preschool and enter your child's name and summer camp in the Registration section.
